

Mother General Visits Mobile

We were honored to welcome our Mother General, Mother María del Monte Auxiliadora and our Vicar, Mother Joseph Christine, to our home this Spring! Mother General traveled from France to the United States to visit all the homes of the Chicago Province over the course of two months.

We had such a wonderful visit from Mother General María during her stay with us! She

brought so much warmth, joy, and encouragement to everyone she met. You could see how much she loves the mission and the Residents we serve. We are so grateful for the time we spent together and for all the little moments that made the visit so meaningful!

We want to thank all those who helped plan and take part in this special week. There were so many wonderful moments – the cheerful

welcome, beautiful Mass, excellent play, entertaining reception, visiting with Residents, family, and staff, and so much more! We will all cherish the memories of this visit for a very long time!

We continue to pray for Mother General María and Mother Assistant Joseph Christine and we thank them for this incredibly special visit! What a blessing for our community!

Feast of St. Joseph

We were honored to have Archbishop Mark S. Rivotuso, along with several priests from the archdiocese, join us for Mass and lunch to celebrate the feast of St. Joseph.

Concelebrating priests included Fr. Pat Arensberg, from Corpus Christi Parish; Fr. Victor Ingalls, from Prince of Peace Parish; Fr. Patrick Driscoll, from St. Dominic Parish; Fr. Stephen Vrazel, from St. Mary Parish; and Fr. Fred Boni, from St. Catherine of Siena Parish.

The tradition of the local bishop and clergy serving dinner to the Residents on St. Joseph's Day started nearly one hundred years ago with Archbishop Thomas J. Toolen.

Through the years he was joined by more priests from the archdiocese and over the years each bishop and archbishop followed in his footsteps.

This year, we brought that tradition back as we enjoyed a beautiful day of service, gratitude, and joy with the archbishop, priests, Little Sisters, and Residents. It was a truly glorious feast day and an unforgettable day for our Sacred Heart Residence Family!

Our Amazing Volunteers

We were blessed to have the McGill-Toolen Catholic High School faculty and staff volunteer at Sacred Heart Residence as part of their faculty retreat day. They did an amazing job helping with many projects around our home. They raked leaves, laid mulch, trimmed trees, weeded the gardens, cleaned railing, tables, and chairs,

cleaned and painted statues, helped make signs, cleaned out storage rooms, worked in the auditorium, visited with Residents, and brought such a joyful spirit to our home. We cannot thank them enough for all their hard work. It was a joy to have them visit and a blessing to have them as our neighbors in the community.

Celebrating 125 Years in Mobile

June marked the 125th anniversary of the Little Sisters' arrival in Mobile, and we celebrated this remarkable milestone with a month of special events. Highlights included receiving a proclamation from the Mayor's Office, hosting a Gratitude Gala for our dedicated community supporters, and celebrating Mass

with the Archbishop, followed by a reception at our home. It was a month filled with joy, gratitude, and celebration as we honored the lasting legacy of the Little Sisters and the extraordinary care and service they have provided — and continue to provide — at Sacred Heart Residence.

A NOTE FROM MOTHER

Dear Friends,

As we celebrate the 125th anniversary of the Little Sisters of the Poor in Mobile, our hearts are filled with profound gratitude to God for the countless blessings He has bestowed upon this community and mission throughout the years. This remarkable milestone is not only a celebration of longevity, but also a testament to 125 years of faithful service, compassion, and love shown to the elderly poor in the spirit of Saint Jeanne Jugan.

For generations, the Little Sisters have been blessed to serve the elderly with dignity, tenderness, and respect, creating a true home where each Resident is cherished and cared for as family. This anniversary invites us to reflect on the sacrifices, dedication, and unwavering faith of the many Little Sisters, benefactors, employees, volunteers, and friends whose generosity and commitment have sustained this mission through every season of its history.

We are especially honored and deeply grateful for the visit of our Mother General this spring. Her presence among us is a source of encouragement and unity, reminding us that we are part of a large, worldwide family devoted to the loving service of the elderly poor. Her visit during this anniversary year makes it even more meaningful as we renew together our commitment to the mission entrusted to us by Saint Jeanne Jugan.

As we give thanks for the past 125 years, we also look toward the future with hope and confidence in God's Providence. May He continue to bless the Little Sisters of the Poor in Mobile, all who live and work in our home, and the many friends and benefactors whose support makes this mission possible.

May God Bless You,
Mother Margaret
